

Driving east from the red light in Richwood, proceed along route 39/55 towards Marlinton. Exactly 1 mile beyond the light, take the road to the left, onto Cranberry Rd (state route 76) and continue up the mountain 3 miles. At the top of the mountain, you continue straight, the road name changes to Country Club Rd. If you bear to the left on Cranberry Road, you will go back down the mountain to “Cranberry Bottoms.” If you continue straight onto Country Club Road, the Cherry Hill Country Club and the Cherry Hill Bar & Grill are ½ mile further, past some homes.
